

"Restoring Discipleship Foundations to the Body of Christ to Impact the World"

KGM Watchmen Prayer Network/Mentoring/Spiritual Parenting

"I've been part of KGM for about 3 years, since 2021. Ms. Karen and the women within this ministry have become extended family. They've taught me how to be consistent in pursuing Christ by demonstrating what it means to pray without ceasing. During the inaugural 8-Days to Easter fellowship, I shared a testimony about my struggles exiting a situation I knew God didn't want me in. I expected to be reprimanded for my decisions. Ms. Karen and the others, however, poured out love and reiterated that there is no condemnation in Christ. I wouldn't be where I am today without the grace, prayers and support of Ms. V, Ms. Melba, Ms. Deborah, Auntie Vet, Jahdai and so many others whom I've met and developed friendships with because of KGM. The grace and mercy shown, however, has never lacked truth. Any advice or prayer I've received was wrapped in God's word. I've become a better daughter, friend, and disciple of Jesus by being part of this community. Thank you Ms. Karen for your faithfulness."
