

"Restoring Discipleship Foundations to the Body of Christ to Impact the World"

Life Discipleship Coaching

"Ms. Karen is a compassionate, powerful, and gentle hearted woman of God, as she has a passion to reach the lost and teach about the mysteries of the Kingdom. Her love for the Lord exudes through her soul, as she desires to bring others out of darkness into His marvelous light. She has significantly impacted my life, as she has given me a renewed perspective of my identity in Christ, helped me overcome bondage, and has been a listening ear that was so needed in this season. Her words challenged me, her conversations awakened my soul, and God used her to help me conquer the lies from the enemy. I am forever grateful for this woman of God, as the Lord used her to support me in so many areas of my life!"
