

"Restoring Discipleship Foundations to the Body of Christ to Impact the World"

## KGM Events/ Sum of My Call God Encounter

"Kingdom Growth Movement stands true to its name! This ministry has blessed me in several ways. Beginning with 8 Days to Easter, from being seen as a voice to be heard and given the space to share my testimony and the hidden treasure of poetic expression; to the Sum of My Call that set me on track to discovering what God placed inside of me for His glory; to the holiday joy of the Christmas Party where souls intermingled with rhythmic tunes; to the breakthrough of the Upper Room; the blessedness of KGM is evident! The many gems that have been given to me through KGM are a plethora. As I have been granted the privilege to grow in insight, prosper in Christ's liberty, unapologetically embrace God's truth, and to share Him with joy! The many thank you's that my heart can express are infinite. As many treasures in the world are seeked out by man, but Kingdom Growth Movement is truly one of God's treasures that is so purposeful in this land and its impact is clearly seen! Thank you, thank you, thank you!"
